## Workshop

This school year, the third grade class has been learning about the 7 pillars of character from teaching artist Kimberly Payne. Students have learned character concepts through movement exercises.

On **Wednesday May 16<sup>th</sup> from 12:30-1:30**, PCMS will host an intergenerational workshop where the third graders interact with workshop attendees. We believe every generation builds upon the wisdom of others.

We're excited to see the differences and similarities between generations. If you know a teen, parent, or grandparent, who would be interested or you are interested in attending this free **workshop at Portage Collaborative Montessori School about character building** ~ please call for a reservation today.

Space for each age bracket is limited.
