

ANATOMY OF THE INSECT

Creative Exercise Worksheet

Student Name:

VOCABULARY

SCIENCE VOCABULARY

- Life Cycle
- Egg
- Larva
- Pupa
- Adult
- Metamorphosis
- Nymph
- Head
- Thorax
- Abdomen

DANCE VOCABULARY

- Shape: Curled, Stretched
- Energy: Gentle, Strong
- Level: Low, Middle, High

Assignment: select a group Head, Thorax, Abdomen

Create a movement study showing:

- How the head's antenna and mouthparts move
- How the thorax's wings and legs move
- How the abdomen's legs and/or stinger may move

Form new groups with a member of the head, thorax, and abdomen groups in each.

Have students assemble each insect and design and name the insect.
